2018 Great Texas Warrant Roundup

The Castroville Police Department has joined forces with over 300 local law enforcement agencies across Texas for this year's 2018 warrant roundup. Officers will actively pursue the arrest of anyone who has outstanding warrants for traffic citations.

The Great Texas Warrant Roundup is specifically intended for those individuals with unpaid traffic tickets that have resulted in arrest warrants being issued. Anyone with an outstanding warrant will be at risk for immediate arrest. To see if you are on the warrant list, go to www.castrovilletx.gov; click on Government and then click on Municipal-Court.

For additional information contact Municipal Court at 830-931-4089 or email liz.jass@castrovilletx.gov

ELECTION INFORMATION

Just a reminder to check your voter's registration card to make sure your information is correct before the upcoming General Election. If you have not received a new card this year please contact the Elections Office at 830-741-6104. There has been an unusually high number of registration cards returned to their office this year.

If you have not registered or need to transfer from a different precinct not in the same county and territory you have until April 5th to register. Voter Registration applications are available at City Hall, 1209 Fiorella Street, Castroville Public Library 802 London, and Medina County Elections Office 1202 14th Street Hondo, or you may go on-line to www.votetexas.gov and print an application to submit to the Medina County Elections Office. Applications must be received April 5th to be eligible to vote in the May 5th General Elections.

Voting for all the General Elections will be conducted at City Hall.

News From Public Works

GREASE TRAP INFORMATION

Fats, oils, and grease (FOG) are the number one cause of sewage overflows in sewer systems. The City of Castroville sewer system has experienced these types of buildups in its pipes and lift-stations. Here are some ways to help in the prevention of overflows.

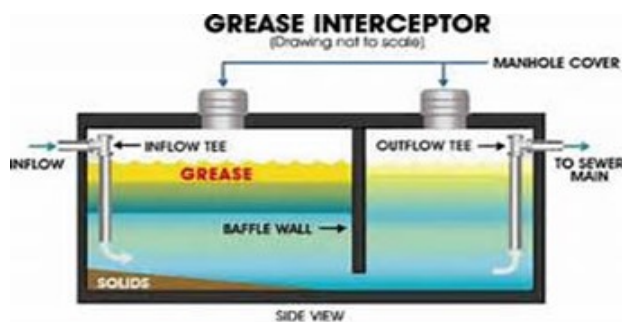

Residential Customers

As a resident of the City you can take the following steps to help avoid sewer backups and water damage:

- Avoid pouring grease down sink drains and toilets.
- Wipe any solidified grease from utensils and pans and dispose of in trash can.
- Do not put grease down garbage disposal system.
- Keep strainers or baskets inside sink drains to catch food scraps.
- Properly dispose of oil, grease, and fat. Let it cool and then pour into any non-recyclable container and dispose of in trash can.

Commercial Customers

Facilities processing, preparing, manufacturing, or in food service are required to install, use and maintain grease traps or interceptors.

Annual Inspection

If you have a grease trap or grease interceptor, you are required to have an annual inspection, and have it available for review by Public Works.

Please contact the Public Works Department at 830-931-4090 for further information.

Be a Good Neighbor, Know The Code

The City of Castroville regulates parking of vehicles on highway and neighborhood roads.

1. When parking your car you are required to park facing the flow of traffic.
2. Parking trailers, RV's, or commercial vehicles on the street is not permitted except for thirty minutes for loading and unloading.
3. Commercial vehicles conducting pick up or drop off services are allowed to park only for the time of the service.

See all the ordinances at: https://library.municode.com/tx/castroville/codes/code_of_ordinances
