

THE CASTROVILLE MUNICIPAL AIRPORT REQUEST FOR QUOTATION (RFQ)

For Metal Hangar Roofing Replacement Service

No. COC-MAP -201901

Date: April 23, 2019

Request for Quotations

To: Eligible Suppliers

The Castroville Municipal Airport is soliciting quotations (RFQ's) from firms who are interested and qualified to provide metal aircraft hangar construction and replacement of the metal roof on a 9,000 square feet metal Commercial Hangar at the Castroville Municipal Airport. Bids should include all costs associated with the project, to include materials and labor to return the hangar roof to a fully functional condition.

The Castroville Municipal Airport is a public facility owed by the City of Castroville with access to aviation fuel, aircraft parking and hangars. The Airport is classified as a B-II General Use Airport and is responsible for promoting and providing general aviation services for regional air transportation at the Castroville Municipal Airport. The Airport accommodates general aviation activity including all types of small to medium propeller and jet powered aircraft by maintaining aviation facilities, providing customer centered management, maintaining competitive fuel prices, and providing competitively priced hangar, land and office space lease rates.

Quotations must be sealed and delivered to City Hall on or before **May 23,, 2019** to the City Secretary, Debra Howe, no later than 2:00 pm. The address for City Hall is:

1209 Fiorella Street
Castroville, Texas 78009

Please reference the RFQ number COC-MAP -201901.
