

# CITY OF CASTROVILLE

## STAYING SAFE FOR THE HOLIDAYS

Travel increases your chance of getting and spreading COVID-19. Staying home is the best way to protect yourself and others. You may feel well and not have any symptoms, but you can still spread COVID-19. If you plan on traveling, check state and local government travel restrictions, including testing requirements, stay-at-home orders, and quarantine requirements upon arrival. From our family to yours, safely enjoy this holiday season.

## THE CITY OF CASTROVILLE AND WASTE MANAGEMENT

Please have your trash and recycle carts out no later than **7:00 a.m.** to receive service. Waste Management suggests that your cart be set 4-5 feet away from all objects and positioned with the handles/wheels facing your home. Please do not overfill carts or place items on top of the closed lid. If you need an additional recycle or trash cart, you may request one for an additional monthly fee.

Brush and bulk collection is limited to six (6) cubic yards combined and will occur once-a-month during the **second full week of the month. No piles should be at the curb until the Friday before the service week.**

Please have your bulk/brush items out by 7:00 a.m. to ensure pick up. Residents will also have UNLIMITED access to At Your Door Special Collection. This service provides residents with front-porch service to collect the difficult, sometimes hazardous, and hard-to-recycle items that almost every household accumulates, such as paint, pesticides, electronic waste, and batteries. For more information about At Your Door Special Collection, please contact Waste Management at 1-800-449-7587 or email [atyourdoor@wm.com](mailto:atyourdoor@wm.com) or visit [www.wmatyourdoor.com](http://www.wmatyourdoor.com).

For questions about this new service or to request additional recycling or trash carts, please contact City Hall at 830-931-4070.
