

CITY OF CASTROVILLE

NOTICE OF PUBLIC HEARING ON TAX INCREASE

At 5 pm on September 14, 2021, a public hearing will be held at City Hall 1209 Fiorella St, Castroville, TX 78009. The hearing is being put into motion for citizens to voice their opinions about the 2021 property tax increase, which will increase the tax imposed on the average residence homestead by the City of Castroville from \$0.4952 to \$0.5381 per \$100 of value, or an increase by 8.66%. While the \$0.0429 increase in tax is more than the No-New-Revenue Tax rate of \$0.4385 per \$100, it does come under the Voter-Approval Tax Rate of \$0.5386 per \$100. If you have any questions or opinions contact city council. 100% of the increased property tax revenue will be used for community improvements such as streets and capital improvements.

RESIDENTIAL WASTEWATER CHARGE

- As we are fast approaching the winter months, please be mindful of your water usage. Unlike the water service you receive from the City of Castroville, wastewater discharge from your home to the sewer treatment plant is not metered. Therefore, the water usage for the months of **October, November, December, and January** are **averaged** to recalculate your **annual wastewater rate**.
- The billing specialist will average the **November, December, January, and February billing** with the **highest bill discarded**. The remaining three months' average will determine the usage upon which the wastewater rate is based. This average will be reflected on your statement in March and continue at that rate for a year. We should all practice water conservation every day to preserve a valuable resource. This helps reduce costs for everyone.
