

# CITY OF CASTROVILLE

## 2021 CITIZEN SURVEY

What do you think of the City of Castroville's services? The Community Survey is one of the ways the City seeks active resident involvement in local government. The survey is designed to provide information about how the city government serves residents and tourists, gauge perceptions and areas of interest, and compare with peer cities.

The survey centers on community livability and includes questions about the quality of life in the community, rating of local government services, and investment in future projects. The City plans to conduct ongoing surveys to track trends, gauge citizen perceptions, and solicit feedback. In addition, the City Council and staff will utilize the survey results to help with future visioning and goal setting. So please take the Castroville 2021 Citizen Survey by visiting any City building or going to the City Website. For information on the survey, please get in touch with City Hall at 830-931-4070.

## CODE ENFORCEMENT

Kerl Brooks has now been sworn in and will be officially allowed to write citations. She has a standard operating procedure, which aligns with the state standards and our ordinances, that she will follow, leading to writing a citation. Kerl has gone through all necessary classes and certifications to ensure that her performance as Code Enforcement is at its very best. She will continue to educate herself and make sure that all of our procedures reflect the state requirements.

Code Enforcement will now be patrolling one Saturday of the month. For more information, call 830-931-4090

## SLOW DOWN: BACK TO SCHOOL MEANS SHARING THE ROAD

**School days bring congestion:** As yellow school buses pick up students, kids on bikes hurry to get to school before the bell rings, and parents try to drop their kids off before work. Drivers need to slow down and pay more attention when kids are present – especially before and after school. Reminder: All cellular device usage is prohibited in school zones. To learn more about staying safe on the road for back to school, Castroville City Ordinances can be found on the city Website. Question or concerns call 830-931-2222
