NEW PAYMENT KIOSK AT THE LIBRARY WILL HELP MAKE BILL PAY EASIER AND MORE CONVENIENT

The City of Castroville is constantly looking for ways to better serve our customers; as part of this effort, we are excited to announce a new payment kiosk at the Castroville Library. Beginning in September, the new bill pay kiosk will be open 24 hours a day, seven days a week and will be accessible via the new drive. It is similar to a bank ATM - it has an easy-to-use touch screen and bill scanner and will accept both cash, checks and credit cards. The kiosk will process Castroville utility bills as well as court fines. Customer service will also be available 24/7 via a 1-800 number that is displayed prominently on the kiosk. Our friendly librarians are also available to assist anyone who has questions or concerns. We sincerely hope our businesses and residents will enjoy using this new fast and convenient payment kiosk.

TOPIC FOUR: WHAT ZONING ORDINANCES DO WE NEED TO FOSTER ALTERNATIVE MODELS FOR GROWTH?

Wednesday, September 14

John Anderson – experienced town planner and small-scale developer

Topic: How can we build in a manner that reflects the walkable, intimate town that is Castroville? What does that type of development look like? What is the 'Missing Middle'? How do we encourage developers of this property type and discourage low end tract homes? How do ordinances shape the outcomes of development?
