JULY 2023

## LIONS PARK GRAND OPENING

The children were clearly excited on Saturday, June 10, as they waited for the new splash pad to officially open at Lions Park. The event brought together local leaders, families, and community members for a day of celebration and water-filled fun.

The highly anticipated Lions Park Splash Pad, a collaborative effort between the city and community partners, promises to be a great addition to our community as it provides children and families with a refreshing oasis during the hot summer months. The grand opening event was a statement to our strong community roots and the power of collaboration. Local leaders, including Mayor Darrin Schroeder, council members, and community leaders, were present at the event, demonstrating their support for the park's development and dedication to enhancing the lives of residents.

In addition to the water-filled play, the community was treated to hot dogs and snow cones, by Castroville Special

We would like to acknowledge the individuals, groups, and businesses, that made this improvement possible.

As the event drew to a close, children and families continued to enjoy the splash pad, and have continued to enjoy the area each day since. If you have not had a chance to see the splash pad, head over to 1101 Houston Street and see what all of the talk is about.

Lions Park and the Splash Pad are open to the public, inviting residents and visitors alike to enjoy water play and community connection. So, go and get your swimsuit, grab the sunscreen, and head to Lions Park for an unforgettable summer experience.

For more information about Lions Park Splash Pad's operating hours and guidelines, please visit the city's official website

## SIGN UP FOR NOTIFICATIONS VIA I-INFO

We want to keep you informed and one way for us to do this is through I-INFO. Use the QR Code and sign up to get alerts on street closures, power outages, water outages, mosquito spraying, city project updates, and more.

**This is an invaluable way to stay informed. Sign up today.**

## Y100'S FRITO AND KATY VISIT THE CASTROVILLE LIBRARY FOR A READ AND FEED!

Frito and Katy from Y100 FM, San Antonio's New Country Leader, came out to Castroville on Thursday, June 29 to read and share lunches for children 18 years of age and younger.

This partnership with the San Antonio Food Bank was a great success with over 60 children participating.

They read, played, and gave away books to those participating. It was a great event for the patrons of our library and we look forward to many more events like this in the future.

## BIRD WALK! CASTROVILLE REGIONAL PARK

**Sunday, August 27, 2023**

**7:30 AM**

**Sponsored by**

**The San Antonio Audubon Society**

**Guide:**

**Zachary Tonzetich**

**Meet in Pool Parking Lot!**

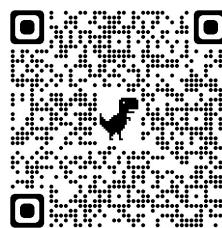

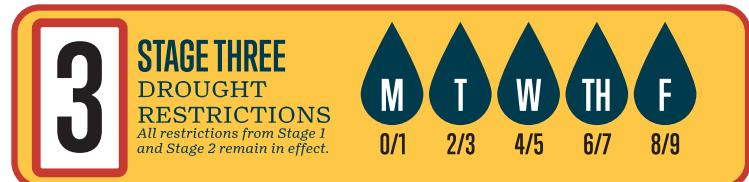

AMI Electric Meter change-outs begin on Monday, July 10. The installers will begin in meter reading route 6 – if your utility account begins with “06,” you are in route 6. You will experience a short power outage, which may require you to reset clocks, microwave, etc. If you have any questions, please call Public Works at 830-931-4090.

Remember, these changes will benefit you with more accurate meter reads and the ability to monitor usage when the customer portal goes live. We want to make sure that you, our customers, have the ability to make more informed decisions on electric usage.

**THANKS TO ALL THE VOLUNTEERS AND SPONSORS  
THAT HELPED BRING A GREAT OLD-FASHIONED 4TH OF JULY**

## ALERT: Stage 3 Water Restrictions

Watering with irrigation systems/sprinklers is allowed every other week on your designated watering day. Watering days are based on the last digit of your address. Please call Public Works at 830-931-4090 if you have any questions.
