## 2024 BUDGET PROPOSED

One of the single most important document adopted by the Castroville City Council is the annual budget because it funds all of the city's core services including streets, policing, parks, and the public library.

The City's annual budget, fee schedule, and tax rates are currently going through the process of review and approval by the city council. All of these budget items will be adopted at the September 12th meeting. In its efforts to leverage future growth to improve the quality of life through capital investment, the city council has committed to maintaining the tax rate of \$0.5233 by increasing the amount dedicated to debt service each year.

Since 2003, the City has increased the portion of the tax rate for capital investment from \$0.03 cents to the current proposed rate of \$0.1553. The current proposed general fund budget for the fiscal year beginning October 1st, 2023 is \$4,070,750. This is an increase of \$292,960 or roughly 7.75% over the current adopted budget. The largest increases are in Police, Parks & Recreation, and Streets. Copies of current and past budgets and other financial documents as well as public hearing and meeting schedules can be found on the City's website.

Not Shown: Pool Manager, Stefanos Tzivopoulos

# WANTED!

## Science Educators and Astronomers

The Friends of the Castroville Regional Park are planning to host an educational program at the Amphitheater before and during the October 14th Annular Solar Eclipse.

If you're planning to observe the solar eclipse in the Castroville area, and have a background in Science Education or Astronomy, we would appreciate your help in providing the public with information or demonstrations about the eclipse.

Specifically, you would be asked to provide 5 to 10-minute presentations on subjects such as: solar-viewing safety, what causes solar eclipses, the differences between annular and total solar eclipses, or any other subject you feel would increase the public's understanding and appreciation of this event.

In the event of inclement weather in the Castroville area that day, we understand if you need to travel to another viewing site. We thank you in advance for your interest in this historic event.

Call or text Helen at 830 931 4176 if you have questions or are interested in knowing more.

## Critical Care: Do you have a medical need for electricity?

All City of Castroville customers count on the City to provide reliable electric service, but none more than those who rely on life-sustaining electrically powered medical equipment. If this is you or someone who permanently resides at your home, you may be eligible for our Residential Critical Care and Chronic Condition Program.

Call Public Works at (830) 931-4090 for more information.

## GO PAPERLESS

### Stop receiving paper statements in the mail

- **SAVE TIME** Receive your bill same day. No longer having to wait for the mail
- **SAFE** Reduce the amount of private information in your mailbox
- **FLEXIBLE** Pay your monthly bill online by credit card, at the kiosk (library), or in person (City Hall)
