TEXAS LIBRARY ASSOCIATION 2023 ANNUAL CONFERENCE

The Library manager Angela Alejandro attended the 2023 TLA annual conference in Austin, Texas. This year's TLA theme was Libraries Unite, in which sessions touched on factors such as inclusion in your library, engaging your community with social media content, having diversity in library Boards, Friends, and Foundations, and aiding in staff development. In addition, attending the conference presented the opportunity for professional development. Networking at various events with new and veteran TLA members from all Library backgrounds to gain insight and share stories and ideas to round off the conference experience. Acting as Chair-Elec of the Small Community Libraries Round Table (SCLRT), Ms. Alejandro will become Chair once the conference concludes. As an acting TLA officer in SCLRT, she will implement programs that address the needs of directors, staff, and Board Members of libraries serving small communities across Texas.

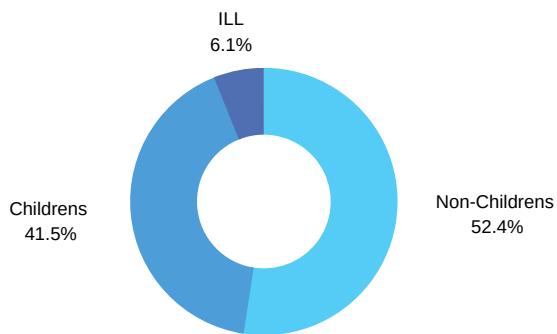

3D PRINTING IS HERE AT THE LIBRARY

Starting this summer, the Castroville Public Library will be providing printing services for Library patrons and printing working shops. Patrons get how-to instructions on the fundamentals of printing and making prints of their own, implementing the various software. Using the Prusa 3d printer, the Library Staff is excited to bring this program to the community.
