August 5, 2016

Honorable Mayor and Members of City Council
City of Castroville, Texas

Re: Fiscal 2016/2017 Proposed Annual Budget

It is my pleasure to present the City's 2016/2017 Proposed Annual Budget, commencing October 1, 2016 and concluding September 30, 2017. As required by law, this budget is balanced and meets the Council's core values of being fiscally conservative, while providing customer service in an effective and efficient manner, all the while emphasizing public safety and public improvements. As the City's financial and spending plan for the fiscal year, the adoption of the budget is one of the most important actions taken by City Council each year. With each budget cycle the City addresses the challenge of providing services with limited resources.

Every effort has been made within the Proposed Budget to allocate resources in a manner that enables the effective and sound delivery of municipal services. I am proud of the excellent services provided by our City and the employees who are responsive in meeting the needs of our community.

I. Budget Document

This Budget continues the effort to create fiscal transparency by displaying the cost of public services and offering an overview of the revenues, expenditures/expenses, and changes in fund balances of all City funds. The budget process involved an extensive review of every department's budget, line-item-by-line-item, in an effort to submit a balanced budget for consideration. Each significant fund/department includes a summary, presenting its purpose, goals, and objectives for fiscal year 2016-2017, along with changes in budget and authorized personnel. Each department worked to find savings in its operating budgets, and made recommendations for program improvements.

II. Personnel

The Fair Labor Standards Act (FLSA) establishes minimum wage, overtime pay eligibility and recordkeeping standards for full-time and part-time workers. Effective December 1, 2016 the minimum salary threshold for exempt employees will increase from \$455 per week, to \$913 per week (a change from \$23,660 annually to \$46,474 annually). This means that employees who earn less than \$913 per week are automatically entitled to overtime pay, regardless of their position.

The proposed FY 2016/2017 Pay Plan reflects this mandate. Additionally, salary survey analysis of comparable municipalities in our region, as well as internal alignment and organizational changes have also been considered and calculated. The following is a summary of the proposed changes.

- Five (5) classifications do not meet the new minimum requirement. To comply with this mandate, three classifications will be designated as non-exempt, eligible for overtime and two classifications will remain exempt effective December 1, 2016.
- Pay Plan ranges have been increased from 10 to 12, to accommodate the FLSA mandate and to reflect market competitiveness.
- Two (2) new classifications - Electrical Line Worker I and II - were created to separate the electrical duties and responsibility currently included in the Utility Worker Series. Job Analysis Questionnaires were completed and job descriptions developed.

City employees are our greatest asset and for the last four years the City has granted 3% merit increases based on performance. Included in the FY 2016/2017 Proposed Budget is a 3% merit pay increase based on performance for eligible staff, effective the first full pay period in January 2017.

This budget also includes funding for biometric time clocks and software that utilizes an employee's fingerprint to record time and attendance. Biometric clocks will improve the accuracy of time keeping, providing real-time employee labor tracking, reduce the number of payrolls processed and reduce the time required to process payroll. This enhancement would be integrated with the City's Incode Payroll System. A biometric clock would be fixed at every City location (City Hall, Police Station, Public Works Facility, Library, Airport and Parks), thus allowing employees to clock in at different locations as needed.

III. General Fund

The FY 2016/2017 Proposed Budget includes \$867,184 in maintenance and operations support for the General Fund from property taxes. The FY 2016/2017 Proposed Budget includes an increase in the City's property tax rate, from 49.94 cents to 52.3233 cents per \$100 valuation - an increase of 2.8333 cents.

The General Fund revenues and expenditures for FY 2016/2017 are projected for modest growth, 8.1% and 7.1% respectively. General Fund revenues projected for the next fiscal year are

\$3,233,588 with expenditures of \$3,758,633. The projected General Fund balance at the end of Fiscal Year 2016/2017 is \$779,660.

Capital Outlays:

- Allocation of \$217,282 for street reconstruction;
- Allocation of \$139,524 for streets and drainage;
- Allocation of \$211,506 for City Hall electrical system improvements partially funded with a \$50,000 Texas Historical Commission grant;
- Allocation of \$34,316 for one Police patrol vehicle;
- Allocation of \$30,000 for re-plastering of the Swimming Pool; and
- Allocation of \$27,500 to Parks and Recreation for a storage building and rebuilding the BBQ pits at Regional Park.

IV. Utility Fund

Proposed Utility Fund revenues and expenses for FY 2016/2017 are projected at \$7,556,464 and \$8,839,641 respectively.

At this time, no utility rate increases for water, sewer, gas, and electric are incorporated in the budget. However, a major factor impacting future rate adjustments is the increase in cost of power supply. Effective October 1, 2016, based on CPS Energy's power supply forecast, costs are expected to increase by 13%. The future price of natural gas is highly volatile and futures traded at the Houston Shipping Channel are expected to vary up to 25% over the next two years. A decision on the utility rates will not be made until the new rate study is completed and presented to City Council later in the month.

Three major capital improvement projects are planned to commence during this period—namely, the Water Line Replacement Project at \$3,500,000; the Eastside Lift Station at \$3,050,000; and the Wastewater Plant Expansion Project at \$9,050,000.

Capital Outlays:

- Allocation of \$170,000 for the replacement of one digger truck;
- Allocation of \$300,000 for the relocation of Public Works building and yard and utility improvements at the new site;
- Allocation of \$170,000 for sewer system improvements;
- Allocation of \$60,000 for smoke testing; and
- Allocation of \$51,000 for a new 400 amps, 120/206-volt electrical system upgrade at City Hall.

V. Airport Fund

With the completion of the airport runway expansion project, the Airport is experiencing an increase in small business and pleasure jet arrivals and departures. To serve this new customer base the City will be providing Jet "A" fuel in FY 2016/2017. This new development is expected to increase airport traffic and attract new business and economic development opportunities not only at the Airport but also in the surrounding community through increased visitor spending at local

restaurants, hotel/B&Bs, and other amenities. This in turn, will lead to airport growth, by way of new hangar space (leases), fuel sales, and the expansion of business at the airport. The Jet "A" Fuel project will be funded through the Non-Primary Entitlement (NPE) funds from the Texas Department of Transportation (TxDOT).

For FY 2016/2017 revenues are projected at \$712,968 and expenditures at \$659,516.

Airport Highlights

- Allocation of \$50,000 in matching funds required for the State's Ramp Grant; and
- Allocation of \$100,000 for the 25% share of funding for the Jet Fuel Farm.

VI. Debt Service

This budget allocates sufficient funds to address current and anticipated interest and principal debt service payments in Fiscal Year 2016-2017.

VII. Interfund Transfers

As in previous years, budgeted transfers between funds are included to reimburse one fund for administrative services provided by the other, as well as right-of-way uses and allocable debt payments. This year's proposed interfund transfers total \$1,071,291.

VIII. Miscellaneous

This budget includes continued funds to support Bluebonnet Children's Center, Tour de Castroville, Citywide Garage Sale, and the 4th of July Event.

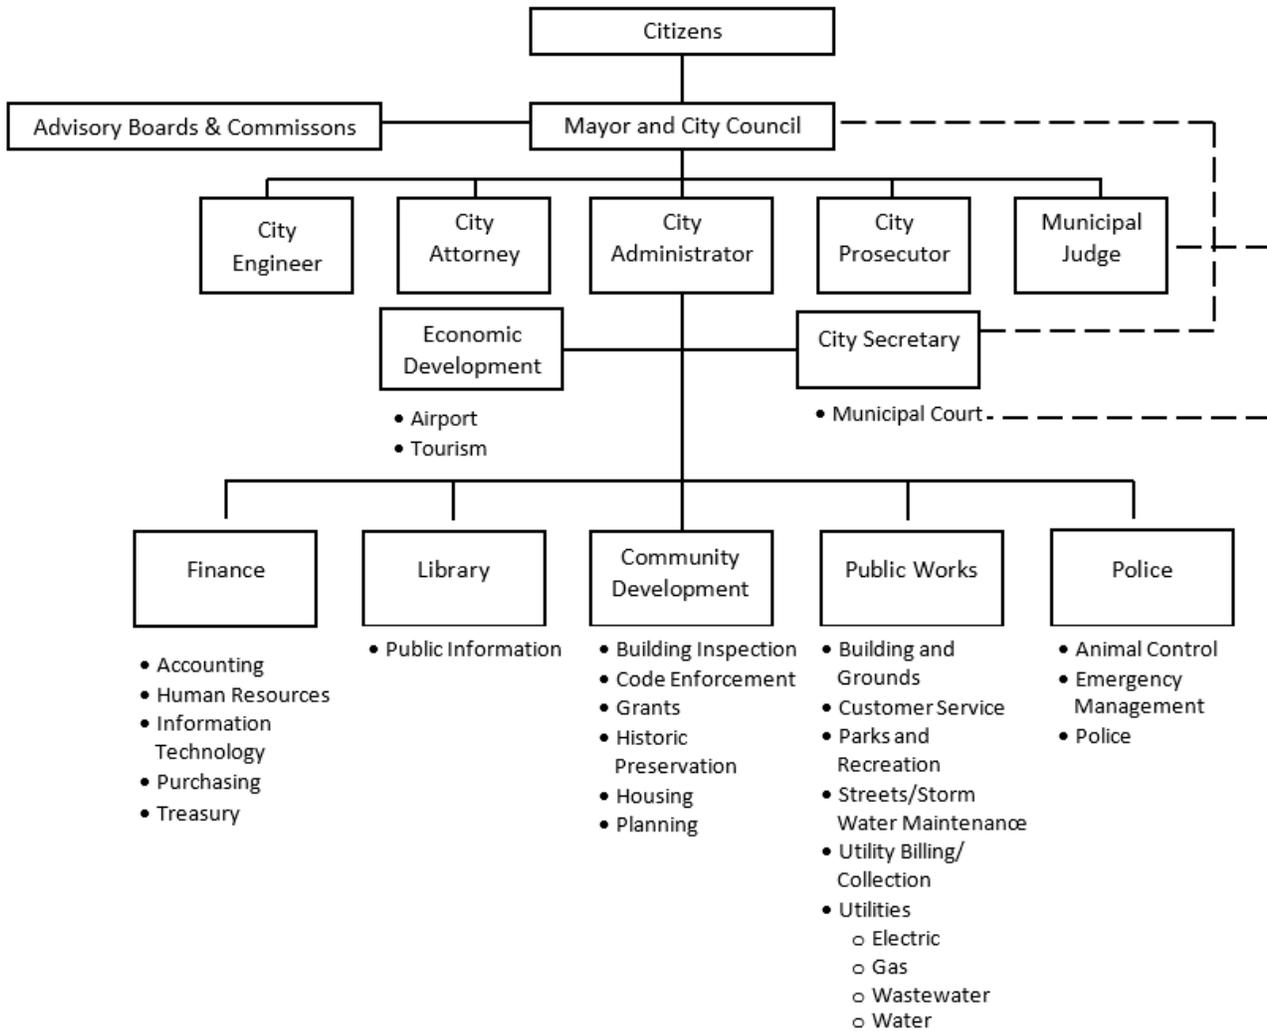

In closing, I wish to thank the Department Directors, and all of the City employees that contributed towards the development of this Fiscal Year 2016/2017 Proposed Annual Budget. I also want to especially thank Finance Director Ernesto Briones for his hard work in preparing the budget. We believe that this budget is realistic, attainable and cost-effectively meets the existing level of services which you have directed the City staff to provide and which our citizens have come to expect and deserve. It will be closely monitored as to the performance of revenues and compliance with appropriation limits, with monthly and quarterly reports provided to management and monitored by all departmental directors.

Respectfully submitted,

Marie Gelles
City Administrator

Budget Summary – City Administrator

The City Administrator Office is the primary point of contact between the City’s departments and the City Council. The City Administrator’s function is to lead, guide and provide coordination to the departments as they implement City policies and to advise the City Council on policy decisions. The City Administrator communicates the City’s vision and mission to all employees and provides leadership in the administration of the City’s programs and services.

Accomplishments for FY 2016:

- Successfully recruited several key senior management positions within the City organization including the Economic Development Director and the Finance Director.
- Successfully completed the land purchase of approximately 59.874 acres for future City purposes.
- Completed negotiations on a license agreement with the Castro Colonies Heritage Association for the development of the Castroville Colonies Living History Museum.
- Completed work on the Airport Runway Extension project.
- Continued to work on various infrastructure projects including the Water Line Replacement, Eastside Lift Station, and the Wastewater Treatment Plant Capacity Expansion.

Objectives for FY 2017:

- Assist the City Council in short and long range planning, especially as it relates to City facility needs and economic development.
- Completion of the Biry-Ahr House Museum project renovation improvements.
- Continue work on Wastewater Treatment Plant Expansion Project.
- Complete jet fuel project at the Castroville Municipal Airport.
- Relocate Public Works yard to new property.
- Complete the Water Line Replacement Project and the Eastside Lift Station Project.
- Continue participation efforts to foster relationships with local, regional, and state partners.

Budget Summary – City Secretary

The City Secretary is the Chief Election Official and the official Records Management Officer for the City of Castroville. Open Records requests are generated through the City Secretary and are accounted for as to their timeliness. The office compiles applications for all the City Boards and Commissions, publishes board agendas and maintains their minutes. The office generates Council information, including the by-weekly agenda packets (paper and electronic) for regular called meetings, workshops, and special called meetings. The office is responsible for ensuring compliance with state and Federal laws related to open records, open meetings, elections and public notices. The City Secretary also oversees the Municipal Court.

Accomplishments for FY 2016:

- Completed second Recertification from Texas Municipal Clerks Association.
- Completed ordinance recodification.
- Completed reappointment process for all boards and commissions members whose terms were completed on June 30th.
- Completed records retention.

Objectives for FY 2017:

- Continue process improvement on paperless agenda.
- Continue recodification of City ordinances.
- Review City ordinances for regulatory changes that affect City’s function.
- Maintain and monitor Master Calendar.
- Continue to Improve knowledge of Incode system and court procedures

Budget Summary – Library

The Library provides educational, informational, and recreational resources to the City of Castroville and its surrounding communities. The Library promotes equitable free and open access to information, materials, and services to the members that it serves. Emphasis is placed on services which advance knowledge, foster creativity, encourage the exchange of ideas, build community, and enhance the quality of life.

Accomplishments for FY 2016:

- The Library continued to expand educational resources offered to the community including adding the Brainfuse services which provides live one-on-one tutoring, GED support, and test prep including SAT, ACT, and ASVAB.
- Increased programming for middle grade with monthly Lego Club and Art Club.
- Increased programming for teens and adults including Open Mic Nights and Murder Mystery parties.
- Joined the Libraries Transform movement which increases public awareness of the value, impact, and services provided by libraries and elevating critical role libraries play in the digital age.
- Awarded a Tocker Grant for \$50,000 for new library furniture and to enhance the layout and design of the library to be most effective for library users and staff.

Objectives for FY 2017:

- Continue with the Libraries Transform movement and increase public awareness of the value, impact, and services provided by the library to the community including promoting connectivity (in-person and through online networking), encouraging creative expression, and inspiring lifelong learning.
- Establish new technology plan for the library to provide increased services through technology use including maker spaces, coding centers, step by step digital programs for adults, and digital learning centers for preschool and children.
- Continue to meet the needs of the community by increasing and enriching the services provided.

Budget Summary – Police

The Police Services Department’s function is to enforce Federal, state and local laws and ordinances, and establish partnerships with the community through programs that involve citizens and businesses with problem solving and crime prevention. The Department’s additional responsibilities include safe and expedient movement of vehicle and pedestrian traffic through enforcement and education, investigate and solve crimes, child safety and awareness. The Department is also responsible for the City animal control services and nuisance code violations.

Accomplishments for FY 2016:

- The Police Secretary trained as a TCOLE Certified Dispatcher.
- Placed the Animal Control Officer on CopSync for report writing and call management.
- Became the first agency in Medina County to have a certified Intoxilyzer operator.
- Completed our first TCOLE audit in ten years.
- Began the Coffee with Cops program and first annual Community Police Memorial luncheon.

Objectives for FY 2017:

- Secure a certified Mental Health Officer for the Department.
- Obtain recognized police agency status with the Texas Police Chief’s Association.
- Increase the Department’s community exposure by using utilizing Facebook and City website so the Community has access to the officer’s email for follow-up’s and citizen comments.

Budget Summary – City Secretary: Municipal Court

The Municipal Court, a division of the City Secretary Office, processes violations of City Ordinances resulting from citizen complaints, traffic citations and misdemeanor arrests. To properly administer this function, the division must schedule offenders to appear before the court, adjudicate the trial, collect fines from guilty offenders, and issue warrants of arrest.

Accomplishments for FY 2016:

- Continued improving the processes using imaging and court software for more efficiency and accuracy.
- Continued timely reporting of the monthly and quarterly reports.
- Continued timely clearing of DPS warrants.

Objectives for FY 2017:

- Continue increasing efficiency in the collections of fines/warrants.
- Continuing Education seminars related to court
- Implement Court Internet Payments through the Incode System
- Participate in State Wide Warrant Roundup.
- Continue increasing efficiency in the collections of fines/warrants.

Glossary

The budget contains specialized and technical terminology that is unique to public finance and budgeting.

Accounting Basis: The basis of accounting under which transactions are recognized and reported. The City employs the modified accrual basis of accounting. This means that revenues are recognized in the accounting period in which they become available and measurable and expenditures are recognized in the accounting period in which the fund liability is incurred.

Ad Valorem Tax: The tax is based “according to value” of property and is used as the source of revenue to pay general obligation debt and to support the General Fund.

Assessed Valuation: A value that is established for real and personal property for use as a basis for levying property taxes. The assessed valuation represents the appraised valuation less any exemptions. Property values are established by the Medina Appraisal District.

Balanced Budget: A budget in which planned expenditures can be met by current income from taxation and other government receipts.

Bond: A debt instrument embodying a written promise to pay a specified sum of money, the face value or principal, at a specific date or dates in the future (maturity date) together with periodic interest at a specified rate. Bonds are typically used for long-term debt to pay for specific capital expenditures, such as buildings, streets, or utility expansion/repair.

Budget: A budget is a plan of financial operation embodying an estimate of proposed expenditures and the means of financing them for a single fiscal year.

Budget Adjustments: A legal procedure utilized during the fiscal year by the City staff and City Council to revise a budget appropriation. City staff has the prerogative to adjust expenditures within a department budget.

Budget Document: The instrument used by the budget-making authority to present a comprehensive financial program to the City Council. The adopted budget document presents the authorization made by the City Council for City Officials to obligate and expend resources.

Budget Ordinance: The official enactment by the City Council that establishes legal authority for the City Officials to obligate and expend resources.

Budgetary Control: The control of management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

Capital Outlay: The portion of the annual operating budget that appropriates funds for the purpose of capital equipment needs. The Capital Outlay Budget includes funds for capital equipment purchases such as vehicles, furniture, machinery, building improvements, computers, and special tools, which are usually distinguished from operating items according to their value and projected useful life. The City's current capitalization policy requires expenditures to be at least \$5,000 with the asset having a useful life in excess of two (2) years.

Capital Improvement Program (CIP): A plan for capital expenditures to be incurred each year over a period of five future years setting forth each capital project, scope of work, the amount to be expended in each year and the method of financing those expenditures, to provide long-lasting physical improvements.

Chart of Accounts: A chart detailing the system of general ledger accounts.

City Administrator: The individual appointed by the City Council who is responsible for the administration of the affairs of the City.

Commodities: Items of expenditures which, after use, are consumed or show a material change in their physical condition, and which, are generally of limited value and are characterized by rapid depreciation. Office supplies and motor fuel are examples of commodities.

Contingency: A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

Contractual Services: Goods and services acquired under contract the City receives from an internal service fund or an outside company. Professional services, utilities, rentals, and insurance are examples of contractual services,

Current Taxes: Taxes that are levied and due within one year.

Debt Service Fund: Accounts for the accumulation of ad valorem taxes collected for the purpose of paying principal and interest on long term debt, certificates of obligation and short term contractual obligation certificates.

Debt Service: The City's obligation to pay the principal and interest of all outstanding debt instruments according to a predetermined payment schedule.

Deficit: A deficit is the excess of expenditures over revenues during a single accounting period.

Delinquent Taxes: Taxes remaining unpaid on and after the date on which a penalty for non-payment is imposed.

Department: A major administrative division of the City that indicates overall management responsibility for an operation or a group of related operations within a functional area.

Disbursement: Payment for goods and services in cash or by check.

Effective Tax Rate: That tax rate which will generate the same amount of tax revenue next year from the properties on this year's tax rolls.

Encumbrance: Obligation in the form of a purchase order, contract, or salary commitment which is chargeable to appropriations and for which a part of the appropriation is reserved. When paid, the encumbrance is liquidated.

Enterprise Fund: A government accounting fund used to account for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is to recover the cost of providing goods through user fees. Rate schedules for these services are established to insure that revenues are adequate to meet all necessary expenditures.

Estimate: The estimated actual expenditures and revenues for the fiscal year prior to the budget fiscal year.

Estimated Revenues: The amount of projected revenue to be collected during the fiscal year. It may be also defined to finance the proposed projected expenditures.

Expenditure: Decrease in the use of net financial resources for the purpose of acquiring and providing goods and services.

Expenditure Group: A grouping of similar expenditures used to exercise budgetary control. For example, the Personnel Services expenditure group includes salaries, Social Security, Medicare, retirement, group health insurance, group life insurance, and workers compensation.

Expenses: Outflows or other using up of assets or incurring of liabilities during a period from delivering or producing goods, rendering services, or carrying out other activities that constitute the entity's ongoing major or central operations.

Fiscal Year: The 12 month time period designated by the City signifying the beginning and ending period for recording financial transactions. The City's fiscal year is October 1st to September 30th.

Fixed Asset: Assets of a long-term nature that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

Full Time-Equivalent (FTE): Full time, authorized positions, filled or vacant, that equal to 2,080 hours of work annually.

Fund: An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial sources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations.

Fund Balance: The difference between a fund's assets and liabilities.

Generally Accepted Accounting Principles (GAAP): Uniform minimum standards of and guidelines to financial accounting and reporting.

General Fund: The General Fund accounts for all financial resources of the government except for those required to be accounted for in another fund. General Fund revenues include property taxes, licenses and permits, service charges, and other types of revenue. The fund includes the basic operating services such as police, finance, community development, parks & recreation, pool, library, public works and general administration.

General Ledger: A listing of the various accounts necessary to reflect the financial position and results of operation of government.

Interfund Transfers: Amounts transferred from one fund to another.

Modified Accrual Accounting: A basis of accounting in which revenues should be recognized in the accounting period in which they become available and measurable and expenditures are recorded in the period that they are incurred.

Non-Recurring Revenue: Revenue recognized by the City that are unique and occur one time or without pattern.

Operating Budget: The portion of the budget that pertains to daily operations that provide basic services for the fiscal year. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel, and fuel and the proposed means of financing them.

Personal Services: All cost related to compensating employees of the City including employee benefit costs such as City contribution for retirement, social security, and health and life insurance.

Program Improvement: A program improvement is the addition of new equipment, personnel or other expenditures aimed at improving the level of service or expanding services.

Property Tax Rate: The property tax rate consists of two elements. The first is the maintenance and operation rate. Revenues received from this element are deposited in the General Fund and can be used for any public purpose. The maintenance and operation rate is subject to the provisions of state statute and an increase in the effective rate excess of 8% is subject to a voter initiated rollback election. The second element is the debt service rate. The rate is set based on the City's debt service requirements. Funds received from this rate are

deposited in the Debt Service Fund and are used solely to pay the principal and interest on present and projected debt.

Resources: Total dollars available for appropriations including estimated revenues, fund transfers, and beginning fund balances.

Revenue Estimate: An estimate of how much revenue will be earned from a specific revenue source for some future specific period; typically, a future fiscal year.

Shortfall: The excess of expenditures over revenues during a single accounting period.

Special revenue Fund: A fund used to account for revenues and expenditures that have been earmarked for special activities.

Surplus: A surplus is the amount by which revenues exceed outlays.

Tax Levy: The total amount of funds to be raised by general property taxes for operating and debt service purposes specified in the Annual Tax Ordinance.

Tax Rate: The amount of tax levied for each \$100 of assessed valuation.

Tax Rate Limit: The maximum legal property tax rate at which a municipality may levy a tax
