Stage 1 Water Restrictions

City of Castroville uses drought restrictions, established by City Ordinance, to manage the water resources proactively.

- Water waste is prohibited at all times. Water waste includes: allowing water to run off into the street, a ditch, a drain, or failing to repair a controllable leak.
- Hand watering with a hand-held hose, soaker hose, drip irrigation, bucket or watering can is permitted at any time.
- Grey watering is allowed at any time.
- All non-public swimming pools must have a minimum of 25 percent of the surface area covered with Evaporation screens when not in use. Inflatable pool toys or floating decorations may be used.
- Washing impervious cover such as parking lots, driveways, streets or sidewalks is prohibited. Health and safety exceptions to this rule may be requested from the City in writing.
- Residential washing of vehicles or other equipment is allowed only on assigned watering days, times, and during the weekend. A hose with an automatic shut-off nozzle or bucket of five gallons or less may be used. Water should not be allowed to run into the street.

Stage One restrictions continue until there is an announcement in the newspaper that Stage One has ended or that Stage Two is in effect. Voluntary conservation on your part now helps avoid the need for mandatory restrictions later. Landscape watering with an irrigation system or sprinkler is allowed only once a week before 10 a.m. or after 8 p.m. on your designated watering day as determined by your address:

2018 Castroville Color Run

The 2018 Castroville Color Run is the kick-off event for the Castroville Old-Fashioned 4th of July Weekend Celebration! Bring the entire family out and join us for a FUN and PATRIOTIC run! The race starts at 8:00 am on Saturday, June 30, 2018.

This year, the Color Run will be at Castroville Regional Park, includes NINE color stations for the 5K and THREE color stations for the 1-mile mini-run. Registrants for the 5K receive a T-shirt. All participants receive a finishers medal and a wristband that gives them access to the park for all events; including FIRST access to the water park following the race. Ages 5 and under are FREE!

A portion of the proceeds will go to TCT cheerleaders and their trip to the National Cheer Competition! The cheerleaders will also be selling pancakes after the race!

For more information and to register, please visit:

Holiday Pet Safety Tips

1. Have your pet properly identified. Update their IDs and Microchips. It is also a good idea to have a recent picture of your pet(s) in case you have to put up signs.
2. NEVER use fireworks around pets; fireworks can pose a danger to curious pets and potentially result in severe burns and trauma; even unused fireworks can be toxic for your pets.
3. Citronella insect control products harm pets, too. Oils, candles, insect coils, and other citronella-based repellants are irritating toxins to pets. The result of inhalation can cause severe respiratory illnesses.
4. Don't put insect repellant on your pet that isn't specifically for pet use. The same tip applies to "people" sunscreen. What isn't toxic to humans can be toxic to animals.

4th of July Volunteers Needed

The 4th of July Planning Committee is currently seeking volunteers for the 2018 Old Fashioned 4th of July Weekend. By volunteering, you can give back to your community while enjoying the fun-filled patriotic activities such as the Picnic in the Park on Saturday, June 30th, or the Parade on Wednesday, July 4th. Volunteer opportunities range from hospitality areas to water park attendants or cleaning crews. To sign-

up to volunteer, please visit www.castrovilletx.gov/4thofJuly.

For more information about becoming a volunteer, please email Lora Chontal at Lora.Chontal@castrovilletx.gov, or call (830) 931-4090.
