City of Castroville to Enter Stage Two Watering Restrictions Stage Two restrictions effective August 15

Castroville, TX – Effective Saturday, August 15, 2015, the City of Castroville moved from Stage One to Stage Two watering restrictions.

Stage Two restrictions state that residents can water their landscapes once per week on their designated day, which is determined by the last number of the street address. If the last digit of the street address is a 0 or 1, water on Monday; 2 or 3 on Tuesday; 4 or 5 on Wednesday; 6 or 7 on Thursday; and 8 or 9 on Friday. Those without a street address should water on Wednesday. Sprinklers and irrigations systems are only allowed between the hours of 6 am to 10 am and from 8 pm to 12 am on the designated day.

Drip irrigation and watering from a 5-gallon bucket is allowed any day, but only during the specified hours. Hand watering and grey watering is allowed at any time. Please remember to adjust your automatic timers on your sprinkler systems accordingly.

Visit the City of Castroville website (www.castrovilletx.gov) for more information.
