Selection Criteria

In determining the award of this contract, the governmental entity may consider the following under Govt Code Sec. 2269.055:

- (1) the price;
- (2) the offeror's experience and reputation;
- (3) the quality of the offeror's goods or services;
- (4) the impact on the ability of the governmental entity to comply with rules relating to historically underutilized businesses;
- (5) the offeror's safety record;
- (6) the offeror's proposed personnel;
- (7) whether the offeror's financial capability is appropriate to the size and scope of the project; and
- (8) any other relevant factor specifically listed in the request for bids, proposals, or qualifications including past performance on projects with this Owner or others in the area.

In determining the award of a contract under this chapter, the governmental entity shall:

- (1) consider and apply any existing laws, including any criteria, related to historically underutilized businesses; and
- (2) consider and apply any existing laws, rules, or applicable municipal charters, including laws applicable to local governments, related to the use of women, minority, small, or disadvantaged businesses.

Bids will be evaluated by the City based on the qualifications and experience of the Bidder, as well as the price offered. The City reserves the right to accept the proposal that best suits its needs whether or not the price is lowest, and also reserves the right to reject all bids or waive informalities.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.
